

WORKSHEET 5:

Identify Program Processes and Assign Tasks to Team Members

The following table includes some examples to consider. You should develop your own comprehensive list and assign team members to each task.

PROGRAM PROCESSES/TASKS	TEAM MEMBER ASSIGNED
Billing/Prior Authorization/ Pre-certification	
Patient Education and Support	
Download of Device Data or Establish Data Sharing	
Interpretation of Device Data	
Communication of Plan to Patient	
Analyze Clinical and Financial Outcomes Data	
Market the Program
